Marjorie Eberts, Margaret Gisler : Careers for People on the Move Other Road Warriors (McGraw-Hill Careers for You (Paperback)) before purchasing it in order to gage whether or not it would be worth my time, and

all praised Careers for People on the Move Other Road Warriors (McGraw-Hill Careers for You (Paperback)):

0 of 1 people found the following review helpful. good bookBy Terry D.AAA+1 of 3 people found the following review helpful. Cute Book.... Light ReadBy ChaleighAfter being classified as a "road warrior", I received this book as a gift. I wouldn't have bought this book on my own.I found this book interesting learning how many different types of road warriors there are out there! Some I would never have thought of!I would really recommend this book to anyone who loves to be on the road or loves to travel and they don't know where to get a job... or even what type of job they want. It's an excellent book for that type of person. Great starting point.The only reason I give this book 3 stars (instead of more) is because the book didn't relate to me since I'm already a road warrior.

Get on the road to a perfect career! Do you feel most comfortable behind the wheel of a car? Are you always up for a road trip? Will you drive anywhere, at any time of day?
