Shonan Noronha : Careers in Communications (Careers inhellip; Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Careers in Communications (Careers inhellip; Series):

0 of 0 people found the following review helpful. Three StarsBy MyseOk read

Ideal for college-bound students or anyone thinking about making a career change, this series offers information needed to explore and choose a profession and then narrow it down to a job that suits them. Each book details the responsibilities, education and training required, and employment outlooks for dozens of satisfying careers in the field.

From BooklistNoronha provides comprehensive information concerning the fields of journalism, photography, film, radio and audio, multimedia, television and video, advertising, and public relations. Along with the insightful information, the reader will find concrete advice from people with extensive experience in their respective fields. Appendixes include lists of professional associations and societies and of periodicals and directories.
