**Barbara Swanson : Careers in Health Care, Fifth Edition (VGM Professional Careers Series)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Careers in Health Care, Fifth Edition (VGM Professional Careers Series):

2 of 3 people found the following review helpful. Good summary  
By mom of Sondheim fan  
Not a lot of detail, but a good first step to help you focus on what you may want to look at in more depth.

Careers in Health Care details the responsibilities, education and training required, and employment outlooks for the health care field.

From the Back Cover
