Barry Harrison, Nigel Healey : Central Banking in Eastern Europe (Routledge International Studies in Money and Banking) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Central Banking in Eastern Europe (Routledge International Studies in Money and Banking):

This book, written by a multinational team of experts, explores the changing face of central banking in Eastern Europe in the light of modern macroeconomic thinking, providing important and novel insights into the design of monetary policy institutions. With its authoritative content, this book will interest students and academics involved with money and banking, macroeconomics and Eastern European studies. Professionals working for financial institutions will also find plenty that will appeal within these pages.

About the Author Nigel Healey is Dean of Manchester Metropolitan University Business School, UK. Barry Harrison is Senior Lecturer in Economics at Nottingham Trent University, UK.
