CHARTING A BOLD COURSE to Better Leaders By Montgomery Thanks you for the most important gift there is ;the words of our Lord and Savior Jesus Christ This book comprehensive in nature. All of the main dimensions of leadership are covered in depth. I have read the Bible a great deal in the last 45 years but to see the verses the author uses to make his points in the context of Leadership will really expands anyone's grasp of this important concept. The format of the book is especially fitting for our small group in which it is being used. I highly recommend using this book to develop leaders in any Christian endeavor. Robert A. leaders inside a local church

By jpwcalvary

Each section of Seidel's book provides key material for today's church leadership to use in training up future leaders in the church. The application and workbook format provide direct projects for the reader to encounter. Additionally, I believe Seidel has tackled the practical problem of "how do I train-up a leader" and come up with an incredible solution that allows the leader to see a great tool impact the lives of others, while strengthening the local church.

By Leon Williams

Seidel offers comprehensible insight on vision casting, vital principles for changing a church, and key dynamics when navigating challenges during these processes.

Leadership development is a life-long process. Yet the church of Jesus Christ is in desperate need of strong leaders in this generation. In *Charting a Bold Course*, Andrew Seidel provides an exceptional tool to get you started on cultivating the unique gifts and abilities God has given you and your leadership team. This leadership course will fit perfectly in a leadership training program.

*Charting a Bold Course* is like a compass. With Jesus Christ as true north, each page will provide practical guidance to lead you into a deeper understanding of the grace and mercy of God himself.

-Brian Eby, Director, The Center for Biblical Counseling

*Charting a Bold Course* gave our church the tools to raise up a new generation of leaders. The material is biblically sound and thoroughly practical.

-Having known Dr. Seidel for almost twenty years, I can attest he not only knows the theory of character-driven leadership, but he practices it as well.

-Robert Oliver, Senior Pastor, Bastrop Bible Church

Andy Seidel has designed a leadership-training handbook that focuses on biblical principles and contemporary illustrations with relevant quotes from authors who are on the cutting edge of leadership development.

American Missionary Fellowship has adopted *Charting a Bold Course* as its leadership training program and we are excited about this strategic resource and its impact on this and future generations of Christian leaders to the glory of God.
