C. Lo : China After the Subprime Crisis: Opportunities in The New Economic Landscape before purchasing it in order to gauge whether or not it would be worth my time, and all praised China After the Subprime Crisis: Opportunities in The New Economic Landscape:

This book analyzes the post-subprime crisis world from the global, Asian and Chinese perspectives. It dispels some of

the myths about the crisis's effects on Asia and China; and exposes the ugly truth of bailout policies and their distortion and hindering of the world's economic rebalancing effort in the post-subprime era.

About the Author CHI LO is CEO of a major asset management company. Previously, he was China Chief Economist at HSBC and Standard Chartered Bank and Economic Advisor at the Canadian federal deposit insurance agency.
