From Routledge : **China and Europe: The Implications of the Rise of China for European space (Regions and Cities)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised China and Europe: The Implications of the Rise of China for European space (Regions and Cities):

China and Europe address the challenges for the cities and regions of Europe that may be the consequences of such development trends. Contributions by policy-makers and academic observers will prepare the ground for debating the dimensions 'economy', 'knowledge and culture', 'environment and mobility', 'quality of life', and 'governance' of this challenge.
