Joseph Yu-shek Cheng : China's Japan Policy: Adjusting to New Challenges before purchasing it in order to gauge whether or not it would be worth my time, and all praised China's Japan Policy: Adjusting to New Challenges:

China and Japan are the two most important countries in the Asia-Pacific region. Their economic ties are significant not only because they are the second and third largest economies in today's world, but also because their economic relationship has an important impact on regional economic co-operation and international production chains. China's Japan Policy: Adjusting to New Challenges analyzes the significance of Japan in China's foreign policy framework

within the broader context of China's world view, its national objectives, and the Chinese leadership's policy adjustments in response to the changing international and domestic circumstances. It looks at China's Japan policy in recent decades since their normalization of relations in 1972. The book also examines the unique characteristics of the China-Japan bilateral relationship, especially the historical legacy, territorial disputes, and the special cultural affinities between the two nations. Readers interested in China and Japan will find this an invaluable reference with detailed insights on international relations and economic developments in the Asia-Pacific region.

From the Inside Flap: China and Japan are the two most important countries in the Asia-Pacific region. Their economic ties are significant not only because they are the second and third largest economies in today's world, but also because their economic relationship has an important impact on regional economic co-operation and international production chains. *China's Japan Policy: Adjusting to New Challenges* analyzes the significance of Japan in China's foreign policy framework within the broader context of China's world view, its national objectives, and the Chinese leadership's policy adjustments in response to the changing international and domestic circumstances. It looks at China's Japan policy in recent decades since their normalization of relations in 1972. The book also examines the unique characteristics of the China-Japan bilateral relationship, especially the historical legacy, territorial disputes, and the special cultural affinities between the two nations. Readers interested in China and Japan will find this an invaluable reference with detailed insights on international relations and economic developments in the Asia-Pacific region.

About the Author: Joseph Cheng is Chair Professor of Political Science at the City University of Hong Kong, which he has joined since 1992. Before that, he taught at the Chinese University of Hong Kong (1977–1989) and the Open Learning Institute of Hong Kong (1989–1991). In 1991–1992, he was a full-time member of the Central Policy Unit, Government of Hong Kong. He received his undergraduate and postgraduate degrees at the University of Hong Kong, Victoria University of Wellington, New Zealand and the Flinders University of South Australia. He has been the founding editor of the *Hong Kong Journal of Social Sciences* and *The Journal of Comparative Asian Development*, as well as the founding President of the Asian Studies Association of Hong Kong.
