Dr Xueli Huang, Dr Ian Austin : Chinese Investment in Australia: Unique Insights from the Mining Industry before purchasing it in order to gauge whether or not it would be worth my time, and all praised Chinese Investment in Australia: Unique Insights from the Mining Industry:

This book provides comprehensive coverage on the key issues of Chinese investment in the Australian minerals

industry. It offers unique insights into the entry process, the management of Chinese investments, and their success factors and lessons learnt as being impacted upon by the entangling of political, economic, social and competitive forces.

About the Author XUELI HUANG is a Senior Lecturer at RMIT University, Australia. He was the Founding Director of the China-Australia Business Research Centre at Edith Cowan University between 2007- 2010. His research focuses on strategic management, innovation management, and Chinese investment in Australia. He has published over forty referred academic papers and articles in leading international journals, including *Industrial Marketing Management*, *Journal of Small Business Management*, *Journal of Advertising Research*, and *RD Management*. He has provided consulting services and training programmes to many Australian and Chinese firms. IAN AUSTIN is an Australian Researcher on American and East Asian Political Economy and he is currently working at Edith Cowan University, Perth, Australia. He is the author of *Common Foundations of American and East Asian Modernisation: from Alexander Hamilton to Junichero Koizumi, Goh Keng Swee and Southeast Asian Governance*, *Changing Faces of ASEAN and Pragmatism* and *Public Policy in East Asia: Origins, Adaptations and Developments*. Prior to joining academia Austin worked in logistics in Australia and Singapore, for the National Library Board of Singapore in research and project management, and for Australian state and federal politicians in the areas of public policy and elections.
