David L. Cannon : CISA Certified Information Systems Auditor Study Guide before purchasing it in order to gauge whether or not it would be worth my time, and all praised CISA Certified Information Systems Auditor Study Guide:

2 of 2 people found the following review helpful. Good and Easy Read!By CustomerThis book is a good and easy read. The author breaks the material down and focuses on the information needed rather than beating around the bush.2 of 2 people found the following review helpful. Five StarsBy Go-4-iManSo much of a better read than the official manual! The ISACA book is such a bore to read.0 of 0 people found the following review helpful. arrived promptly. will study soon.By Thelma Faith Viajargood book will read soon.

The ultimate CISA prep guide, with practice exams Sybex's CISA: Certified Information Systems Auditor Study Guide, Fourth Edition is the newest edition of industry-leading study guide for the Certified Information System Auditor exam, fully updated to align with the latest ISACA standards and changes in IS auditing.
