Harvard Business Review : Difficult Conversations (HBR 20-Minute Manager Series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Difficult Conversations (HBR 20-Minute Manager Series):

3 of 3 people found the following review helpful. A must read for professionals By David S. Saunders Like so many HBR publications, this has a lot of great advice packed into a small format. As the title suggests, this is a simple guide to dealing with difficult conversations with other people in your professional life. Characteristic to HBR, this is filled with lots of great quotes that punctuate the larger text. Like, "Make a habit of asking yourself what kind of person you want to be and how you want others to perceive you." It doesn't take very long to read and you should come away with many great ideas to improve your skills as a communicator. 1. Harvard Business Review (2016-01-26). Difficult Conversations (HBR 20-Minute Manager Series) (Kindle Location 620). Harvard Business Review Press. Kindle

Edition.0 of 0 people found the following review helpful. Great guide!
By TweetTerrific handbook to improve the outcome of difficult conversations.
0 of 0 people found the following review helpful. Five Stars
By Mark FGreat insights to prepare you for brave conversations we all need to have at work / home.

You have to talk with a colleague about a fraught situation, but you're worried that they'll yell, or blame you, or shut down. You fear your emotions could block you from a resolution. But you can communicate in a way that's constructive--not combative. *Difficult Conversations* walks you through:
Uncovering the root cause of friction
Maintaining a positive mind-set
Untangling the problem together
Agreeing on a way forward
Don't have much time? Get up to speed fast on the most essential business skills with HBR's 20-Minute Manager series. Whether you need a crash course or a brief refresher, each book in the series is a concise, practical primer that will help you brush up on a key management topic. Advice you can quickly read and apply, for ambitious professionals and aspiring executives--from the most trusted source in business. Also available as an ebook.

About the Author
For over 30 years, Bob has worked with Senior Executive Teams and Boards on their most vital strategic and organizational challenges, both as a consultant and a corporate executive. He is considered one of the world's leading strategic facilitators, having designed and conducted offsites in sixteen countries with companies ranging from Fortune 10 multinationals to German mittelstand family businesses. Bob is the author of four Harvard Business articles: *Off-Sites That Work* (June 2006, co-authored with Logan Chandler), *When Teams Can't Decide* (November 2008), *Who Really Makes The Big Decisions in Your Company?* (December 2011), and *Leadership Summits That Work* (March 2015, co-authored with Cary Greene). HBR named *When Teams Can't Decide* one of ten 'must read' articles on teams
