example of a service business that has scaled in such a consistent and dramatic fashion. This book helps you see why that is the case. The hard part for most business owners, however, is getting off the ground and having as strong a differentiator and sense of purpose as Disney. So, this book is not for everyone but definitely insightful. 0 of 0 people found the following review helpful. Five Stars By Ronald Bryant An excellent book. 1 of 1 people found the following review helpful. Awesome book on customer satisfaction and employee engagement By superinvi It is an experiential book of the success of Disney from its beginnings which gathers some of their best practices. Many of the things in this book are applicable and should serve as a good must read requirement for staff in corporate, support services, headquarters and any supporting roles in any company.

Leadership lessons from the iconic brand you can use to drive Disney-style success In helping Walt Disney create "The Happiest Place on Earth," Van France and his team started a business revolution in 1955 that eventually became the Disney University—the employee training and development program that powers one of the most famous brands on earth. Disney U examines how Van France's timeless company values and leadership expertise have turned into a training and development dynasty: the Disney U. The book reveals the heart of the Disney Culture and describes the company's values and operational philosophies that support the world-famous Disney brand. Doug Lipp is an internationally acclaimed expert on customer service, leadership, change management and global competitiveness, specializing in the lessons he learned at the Disney U.

About the Author Doug Lipp helped create the first international version of the Disney University, in Japan at Tokyo Disneyland, and then led the training team of the Disney University at the corporate headquarters of The Walt Disney Company, The Walt Disney Studios. He mentored under a number of Disney University visionaries, including the Disney University founder, Van France. Lipp consults with numerous Fortune 100 corporations and travels the world speaking about the lessons he learned at the Disney University.
