Terence Brake : DK Essential Managers: Global Management before purchasing it in order to gage whether or not it would be worth my time, and all praised DK Essential Managers: Global Management:

0 of 0 people found the following review helpful. Love these!By Saronalee WildeLove these!

The Essential Managers series are ideal for experienced or novice managers in companies both large and small. Having sold more than 2 million copies worldwide, these books are relevant to every work environment. Concise treatment of dozens of techniques, skills, and methods make Essential Managers the most accessible guide to business available. Packed with essential tips for today's competitive business world, these low-priced editions in ebook format are ideal for anyone interested in improving their business skills.

About the Author Brian Cooper has worked for 12 years as a writer and editor specialising in IT. He has produced software manuals, user guides, and CD-ROMs. He also has practical experience as a network administrator and website manager. * Kate Williams teaches various courses on the Higher National Diploma in multimedia. She has developed courses in Macromedia Flash and Dreamweaver, as well as Adobe Premiere and Photoshop for the web. She also produces websites for a wide range of clients.
