**David Thomas : DK Essential Managers: Improving Your Memory** before purchasing it in order to gage whether or not it would be worth my time, and all praised DK Essential Managers: Improving Your Memory:

1 of 1 people found the following review helpful. Remember the daysBy IshqWe remember the days when we could recall everything that we read or seen. Now that we are growing older somethings are not readily accessible in my memory bank. We know the information is there that's why we decided to purchase this book to help improve and maintain or memory. It's a very easy read and the memory drills are fun. Our children has also benefited from reading this book also even though they have exceptional memory.0 of 0 people found the following review helpful. concise, practical, usedul book.By Myung Sung Leeconcise, practical, usedul book.0 of 0 people found the following review helpful. GreatBy SeattleEyeGreat little book!

Learn how to train your memory, enhance your mental abilities, and keep your mind agile and alert. This book's expert tips, clear text, and hard-working illustrations will show you how to improve your concentration, organize your thoughts, and retain and recall information quickly and accurately to make your memory work for you both in personal and professional situations.

About the Author David Thomas is one of only 15 International Grandmasters of Memory and a World Memory Championship Medalist in the US. He broke an 18-year record in "The Guinness Book of Records" for reciting Pi to 22,500 digits from memory. He is also a professional business speaker and an international media personality. David resides in Halifax.
