**Kevin Eikenberry, Guy Harris : From Bud to Boss: Secrets to a Successful Transition to Remarkable Leadership** before purchasing it in order to gauge whether or not it would be worth my time, and all praised From Bud to Boss: Secrets to a Successful Transition to Remarkable Leadership:

0 of 0 people found the following review helpful. I really enjoyed the book. By Linda Tesch As a began reading this I was able to relate different sections to my everyday life and job as a Supervisor. I actually ordered this book after I had the opportunity to borrow it from a mentor through my work and then decided that I wanted to keep a copy in my

home to be able to go back to when I needed it. The way that the book talks about Leadership and the avenue's a person needs to take to be successful is great and I believe it is very true through all the training and mentoring that I have had in the past 4 years. I would recommend it to others.0 of 0 people found the following review helpful. Much needed supportBy CustomerReading this with one of my employees who went from bud to boss was a great developmental tool and a good bonding experience for us!0 of 0 people found the following review helpful. Great book! Every chapter could be a book club ...By LKGreat book! Every chapter could be a book club discussion topic.

Practical advice for making the shift to your first leadership position The number of people who will become first-time supervisors will likely grow in the next 10 years, as Baby Boomers retire. Perhaps the most challenging leadership experience anyone will face isn't one at the top, but their first promotion to leadership. They must deal with the change and uncertainty that comes with a new job, requiring new skills, and they've been promoted from peer to leader. While the book addresses the needs of any manager, supervisor, or leader, it pulls from the best leadership and management thinking, and puts the focus on the difficulties that new leaders experience. Includes practical information for new managers who must supervise friends and former peers Authors are expert consultants who work with leaders at all levels Shows how to adopt the mindset of a leader, including: communicating change, giving feedback, coaching employees, leading productive teams, and achieving goals This much-needed book can help new leaders get beyond the stress and fear to focus on becoming the most effective leader they can be-starting right now.
