From Palgrave Macmillan : From the Great Recession to Labour Market Recovery: Issues, Evidence and Policy Options (International Labour Organization (ILO) Century Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised From the Great Recession to Labour Market Recovery:

Issues, Evidence and Policy Options (International Labour Organization (ILO) Century Series):

This book sheds light on the impact of the Great Recession from the perspective of both developing and developed countries. It traces the complex and multiple causes of the Great Recession, delineates the diversity in the macroeconomic and labour market consequences, and highlights the effectiveness of policy responses undertaken so far.
