**Eloi Laurent, Jacques Le Cacheux : Fruitful Economics: Papers in honor of and by Jean-Paul Fitoussi** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Fruitful Economics: Papers in honor of and by Jean-Paul Fitoussi:

This volume is both a tribute to and study of the French economist Jean-Paul Fitoussi. Fitoussi's pluralistic scholarship has shaped modern macroeconomics, political economy, economics of inequality and, more recently, the economics of

sustainability.
