**Mr Greenwood John : FT Guide to Pensions and Wealth in Retirement (Financial Times Series)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised FT Guide to Pensions and Wealth in Retirement (Financial Times Series):

This book will help you navigate your way through the complex maze of state, private, workplace and individual

pensions, offering you a range of achievable solutions you can carry out yourself to make a significant difference to your retirement income. It explains the different types of pension that exist and offers expert advice on efficient ways to build a secure retirement and how to manage that security once you have retired.

**About the Author** John Greenwood is editor of *Corporate Adviser*, a monthly magazine for the pensions industry. John is a pensions expert has been writing about pensions for national and trade newspapers for eight years. He writes complex pensions stories in the personal finance pages of both the *Sunday Telegraph* and *Sunday Times*. He has won five awards for journalism, including the Association of British Insurers' Pensions Journalist of the Year Award.
