David F. Noble Ph. D : Gallery of Best Resumes before purchasing it in order to gage whether or not it would be worth my time, and all praised Gallery of Best Resumes:

0 of 0 people found the following review helpful. Perfect ReferenceBy kmcThis is a fabulous reference book to guide one to write or update ones resume. We reference this book for professional resume positions and all found work within no time. Thanks to this book. You need to do some work with this book, its not a template reference with cut and paste.0 of 0 people found the following review helpful. It is a good reference.By AmandaThis manly just contains examples of resumes. If you are looking for a step-by-step guide you will not find it here, but if you just want a book to jump start your creativity is writing your resume...this is it.0 of 0 people found the following review helpful. Incredible resource!By Carol AschenbachLots of samples to get ideas from, and many different jobs/industries are included. Great tool for people that want to update their resume, but don't want to spend the money to have a professional do it.

Showcases the very best resume samples; selected from thousands of submissions developed by professional resume writers throughout the nation. These powerful resumes cover jobs from all occupational groups at all levels.

A Career Guide Bestseller! -- Library Journal, April 1, 2004
About the Author David Noble has been helping people develop better resumes and perfect their job search strategies for more than 15 years. A former educator in writing, American literature, technical writing, and business communication at the university level, Dr. Noble combines his teaching experience and knowledge of the job search environment to help others in the job search process. He possesses a strong academic foundation in English and writing as well as real-world experience in teaching others the fundamentals of effective writing and communication skills. He is the author of a job search book based on his work with hundreds of college students as an associate professor of technical communications.
