**Paul K. Ainsworth : Get That Teaching Job!** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Get That Teaching Job!:

Many teachers strive to work in a particular type of school, a precise location or a specific post. Once such parameters have been set, obtaining your dream job can be extremely competitive. This guide to finding the right school,

perfecting your application and polishing your interview technique will empower teachers at all stages of their career to gain an advantage in a competitive environment. *Get That Teaching Job!* includes: bull; Time-saving guidance on where to hunt for jobs bull; Role-specific advice on developing a letter of application and preparing for interview bull; A comprehensive list of interview questions and advice on what the interviewers want bull; Techniques and tips for building on the experience Although the book contains template CVs, model answers and reflective questions, this book will help you to stamp your own personality on every application you make throughout your teaching career to help you to stand out from the crowd.

'Ainsworth is the career mentor you have always wanted; whether hunting for that first teaching post after qualifying, or seeking promotion to middle or senior management, this comprehensive and highly practical book will help teachers develop a clear focus, and ultimately success, in achieving the next step in their teaching careers. In an increasingly competitive jobs market, this resource provides many valuable insights into what employers are looking for in successful applicants, and will help applicants navigate the maze of identifying suitable posts, writing winning applications and following through with positive and winning interview styles.' Sarah Squires, Editor of *Extended Schools Update* and freelance writer

'Written with remarkable clarity and from extensive experience, *Get That Teaching Job!* offers invaluable step-by-step help and guidance for teachers looking to move forward in their career. Sound, practical interview advice with sample questions and answers and web links to templates and additional resources are a real boon. A must-read for anyone ready to make a move – in a competitive market it could make all the difference.' Rosemary Taylor, Senior Partner, Key Issues Consulting, UK

'Paul Ainsworth's advice and guidance has been of benefit to the readers of *SecEd* for many years. His clear and down-to-earth style makes this book accessible and his experience within many spheres of education mean his advice is tried and tested and could help you to land that dream teaching job.' Pete Henshaw, Editor, *SecEd*, UK

'This book is a must for any teacher looking to secure their first, or next, teaching job. Whether you're an NQT, or aiming for a middle or senior leadership position, *Get That Teaching Job!* provides you with plenty of useful practical ideas, ranging from identifying the type of school or area you want to work in, to how to conduct yourself at interview, and everything in between. Paul Ainsworth's experience and research result in a book which will help you to be more prepared and feel more confident, as you tackle those tricky topics such as writing application letters, preparing for interviews, and maximising post-interview feedback. *Get That Teaching Job!* is a book I wish had been available when I was seeking my next teaching post!' Debbie Inglis, Education Performance Coach, Square Two Development Ltd, UK
