If you work hard to #8220;Get It Done,#8221; this book is for you. In this collection of articles from the Project Management Institute's award-winning PM Network#174; magazine, practitioners from around the world share how

they get things done—and how they take their careers to where they want to go. Their advice does not just center on the technical aspects of project management. The articles also cover leadership issues as well as strategic and business management—all three legs of the PMI Talent Triangle[®], a symbol for what employers are looking for when hiring project management talent. Within this book you will find inspiring stories that vividly demonstrate the value of your profession. If you are considering project management as a career, the close-up looks at the types of challenges project managers face every day will give you new perspectives.
