Rob Black : Getting on the MoneyTrack before purchasing it in order to gage whether or not it would be worth my time, and all praised Getting on the MoneyTrack:

10 of 13 people found the following review helpful. Excellent investment bookBy Harish MundreRob is very good financial analyst. His Techtalk shows were great at CNET radio.He provided consolidated financial investment stratgies in this book which includes Real estate, college savings plan, retirement and investing on stocks and bonds.I would recommend this book4 of 4 people found the following review helpful. Ana Fin StatsBy Realworld650Rob gives simple, yet solid information. He writes to his TV viewers, and doesn't talk down to those who know less. He

also gives a very good overview that is paramount for all, regardless of financial knowledge. If he could find an angle, he could be the next Suze or Jimbo, yet after reading his book I find him to be a Teacher more than a...hyster. He stays true to who he is and gives readers a book that is good, solid financial information. 0 of 0 people found the following review helpful. Good Book for BeginnersBy Bridgen1Liked the book. Good solid points to live by. Bought the book because of Rob Black's radio show which is exceptional. Covers not only markets and finance but major events and pop culture... He puts it all in perspective and adds a bit of his dark sense of humor to make it all work!

Don't miss the PBS series MoneyTrack with financial expert Rob Black "A true financial reality and investor education series featuring real people with real-life problems and solutions. . . . Well worth watching."
—Humberto Cruz, LA Times In today's unpredictable financial world, achieving and maintaining financial security is a major concern for many people. About the AuthorRobert Black Television, Radio, Multimedia, and Money Manager Best known for his stock analysis and "Generation-X" approach, Rob Black has helped investors correctly manage their money for over a decade. Rob lives and breathes money. Currently, he serves as investment strategist for GLB Wealth Management, a global money management firm serving prestigious institutions and high net worth individuals. Rob is a widely published author and market commentator; his expertise is featured in prominent finance and business publications, as well as other professional media outlets. He began his career in media over ten years ago as a business correspondent for Business Talk Radio. On the nationally syndicated show Stock Talk, Rob presented the stories behind the stories on Wall Street, and explained why stocks moved higher or lower. Stock Talk was the highest-rated show ever on CNET Radio and delivered a 600% increase in listeners. Rob donates nearly 100% of his media compensation to local and national branches of the Children's Hospital, and he lives in San Francisco, California. Pam Krueger Executive Producer/Anchor and Veteran Financial Anchor/Reporter As the coanchor of PBS's MoneyTrack and former coanchor and producer of TechTV's, The Money Machine, Pam Krueger has been imparting financial wisdom to viewers for ten years. Pam is also a regularly featured money reporter for the Emmy Winning show, Money Moves, seen on PBS. In 2001, she produced NETworth, a one-hour special that was broadcast on more than 70 PBS stations. Pam has a passion for economics and has been a stockbroker for nine years.
