Robert Irwin : How to Get Started in Real Estate Investing before purchasing it in order to gage whether or not it would be worth my time, and all praised How to Get Started in Real Estate Investing:

A PAPERBACK ORIGINAL The perfect introduction on how to get in on today's hottest investment opportunity Stock markets rise, and stock markets fall, but real estate is almost always a sure thing, especially in today's increasingly unpredictable investment climate. That's why more and more average Americans are becoming interested

in pursuing real estate investing. *How to Get Started in Real Estate Investing* shows them how. Writing for investors with little or no experience in real estate, bestselling real estate author Bob Irwin walks readers through all the ins and outs of real estate investing. In a friendly, reassuring, no-hype style, he fills them in on everything they need to know to start building a winning real estate investment strategy of their own; from how much money they'll need to get started, to how to find and evaluate properties, to the basics of financing and taxes. He delineates the seven major techniques used by successful real estate investors and provides guidelines for choosing and adapting the right one for individual readers' goals, personalities, and budgets.
