**Lex Van Dam : How to Make Money Trading: Everything you need to know to control your financial future** before purchasing it in order to gage whether or not it would be worth my time, and all praised How to Make Money Trading: Everything you need to know to control your financial future:

0 of 0 people found the following review helpful. really, really, really like it.By CustomerI havent finish this book yet, but I really like it so far. The best book ive read so far in regards to this subject matter or similar topics. Im loving the book and I'm not easily impressed at all when it comes to self help books.0 of 0 people found the following review helpful. 'EXCELLENT VALUE. A MUST READ'By JayDo not enter the financial world until you read this book! I've given few copies of this book to my family and friends. A must read.0 of 0 people found the following review helpful.

was not what i expectedBy Sevagthe book is not what i expected. i has great info but summarizedand it does not teach you how to trade but general info

Now is the time to start trading ; whether youre looking to short sell (bet on a stock going down) or to buy stocks that are currently obviously undervalued ; Lex Van Dam will provide you with all the essential information you need to understand the stock market and trading and how to make money!

About the AuthorLex Van Dam is an independent hedge fund manager and rookie television program maker. This project was very much his creation and he took just six months from pitching to production companies to seeing his concept broadcast on BBC2.
