Warren Ingram : How to Make Your First Million before purchasing it in order to gage whether or not it would be worth my time, and all praised How to Make Your First Million:

2 of 2 people found the following review helpful. What an eye-opener!By CustomerWell-written and easy to understand. I would recommend this book for investment novices who want to start the journey to financial freedom. I have really learnt a lot and will start reading more financial books and keep coming back to this one to reinforce my understanding.Great job Warren!0 of 0 people found the following review helpful. Rags to riches handbookBy Stephen GovenderStraightforward and simple. Investing is mostly about consistency and less about finding the next

nest thing. A simple and realistic guide that can help any of us reach financial freedom. No smoke or mirrors just common sense. A good read for any person especially a 20 something individual just starting out. 0 of 0 people found the following review helpful. Clear and concise By Tj Great book about personal financial freedom. Makes you think why schools and home we don't spend more time on this.

YOUR EASY-TO-UNDERSTAND GUIDE TO FINANCIAL FREEDOM! Have you ever wondered how wealthy people actually made their first million? Here is a book that shows how various people have made their money in their own unique way, thus allowing you to find a method that works for you so that you, too, can make your first million and gain financial freedom. We would all like to reach a stage where we are able to live off the income from our savings and investments. Sadly, only 5 out of every 100 people reach that stage. This highly accessible book is aimed at anyone who wants to learn how to make their first million in savings. The book provides real examples of ordinary people who have reached their financial goals and explains how you can do the same. It also provides practical ways of setting goals and keeping yourself motivated to achieve them, especially in tough times. **How to Make Your First Million** provides people from all walks of life with practical information on how to achieve financial freedom in a range of different ways and shows that it is possible for everyone to be financially free.
