Martin Bamford : How to Retire 10 Years Early: Your Plan for Less Work and More Life before purchasing it in order to gauge whether or not it would be worth my time, and all praised How to Retire 10 Years Early: Your Plan for Less Work and More Life:

Take control and retire when you want to on your own terms with *How To Retire 10 Years Early*. Personal finance expert Martin Bamford has developed this unique step-by-step and highly practical programme to show every reader how it is both possible and realistic to take control of your financial future now to enjoy greater wealth earlier on in life. From budgeting and debt destruction, through to risk taking and tax, Martin Bamford shows you how to take control and define your own retirement terms.

...you'd have to search far and wide among the nation's bookshelves to find a more user-friendly introduction to saving money for the future. *Pensions Management* March 2008 "hellip; this book shows that, with a bit of hard work, the dream of retiring early is still possiblehellip; Bamford offers easy-to-follow advice and simple tools to make that elusive goal of early retirement a reality." *Moneywise* April 2008 From the Back Cover What does it take to make enough money to retire earlier than yoursquod ever imagined?nbsp; Gone are the days of retirement being in the distant future, mapped out for you by someone else. You have the power to take control and retire when you want and on your own terms. *How to Retire 10 Years Early* shows you how. Martin Bamford, personal finance expert, gives you the plan and the mindset to start planning early retirement NOW. Yoursquoll find straight-talking advice on debt destruction right through to taking risks and cutting costs, as well as an early retirement checklist to make sure nothing is left to chance. Your road to financial freedom starts here. nbsp; lquo;Sound financial advice in a crazy world is often in scant supply. This book delivers it in spades. If he had written it 10 years ago, I would now be happily retired!rsquo; nbsp;Jeff Prestridge, Personal Finance Editor, *Financial Mail* lquo;Retirement is about taking advantage of another stage in life. This book approaches planning for retirement in a refreshingly modern and candid way.rsquo; Nick Cann, Chief Executive, Institute of Financial Planning nbsp; nbsp; About the AuthorMartin Bamford is a high qualified independent financial adviser, who is still young enough to appreciate the special challenges of financial planning for those in their 20s and 30s. He runs his own firm of financial advisers, *Informed Choice Ltd*, with his parents. Martin is a professional member of the Personal Finance Society and an Associate of the Institute of Financial Planning. He has been quoted in *The Independent*, *The Observer* and *The Daily Express* in his capacity as a financial expert. He is a regular contributor to *Money Marketing* magazine. As well as being an IFA, Martin is an aspiring entrepreneur. When not advising clients or running his financial services consultancy firm, *Matrix Financial Solutions Ltd*, Martin is an avid networker. He is currently in the Top 100 most connected UK members of the worldwide networking platform, *Ecademy.com*.
