Chris Smith, Darryl Meeking : How to Succeed at the Medical Interview before purchasing it in order to gage whether or not it would be worth my time, and all praised How to Succeed at the Medical Interview:

3 of 3 people found the following review helpful. medical interviewBy H. Linquick and easy to read.very relevant for candidates going for their interview.straight forward ideas which are simple yet practical.Well thought through solutions to difficult situations.A lot of points are rather common sense though.Not a must read, but a good to read book to increase the confidence level before the interview.
