A great resource for helping you through the job searchBy A CustomerEveryone I talk to that's finding a new job or interviewing for a career change, I give them this book. It is a great reference with practice examples that help you through the steps of landing the job. Why re-invent the wheel?. Get this book and a lot of your work is already done. Now tailor it to your style and you're off and running to get the job you want. Highly recommended for your personal library.8 of 8 people found the following review helpful. Read this book and give a great first impressionBy A CustomerAfter reading this book I re-formatted my resume. When your searching for a job and only have the newspaper as a resource, most businesses receive hundreds of resumes. I received callbacks from 95% of employers I sent my resume to and during the interviews I was appraised on how my resume was one that stuck out in the crowd. I got the job I wanted because I made a great first impression with my
