Derek Wei Teck Gue : Huat Ah! Building Wealth in Singapore with Unit Trusts before purchasing it in order to gauge whether or not it would be worth my time, and all praised Huat Ah! Building Wealth in Singapore with Unit Trusts:

This Book will give you new perspectives on this asset class and explain why everyone should have unit trusts in their investment portfolio. Divided into two parts, it first explains the theory behind investing in unit trusts and then delves into the practical aspects. Discover: the myths behind investing in unit trusts the structure of a fund and categories of

unit trustscommon investing mistakes to avoidthe different ways of buying and investing in unit trustsemotion states that an investor might feel and how to handle themhow to analyse a unit trust's supporting documents

"Whenever someone asks me about investing in unit trust, I am very hesitant as there is not enough guidance out there on understanding and selecting the right unit trusts. But now, Derek has created a comprehensive guide on how individuals can understand and build a portfolio of unit trusts in a systematic and sound method." - Sean Seah, Best-Selling Author of *Gone Fishing With Buffett* "Derek's book on the theory and the practice of investing in unit trusts is an incredible tool for young people who want to start investing - now. It is truly one of the easiest means of building wealth over their lifetime. Take heed of the advice here and you will reap the rewards of intelligent investment!" - Steven Lek, Founder, retiredowhat.com About the Author Derek is a Financial Strategist who advises on matters of income protection against premature death, disability and critical illness. He also formulates solutions to accumulate wealth via endowment, retirement/annuity plans and Unit Trusts for clients. He is also a writer and he published his first book: *Huat Ah! Building wealth in Singapore with Unit Trusts* in July 2015. He is a speaker and conducts public and lunchtime financial education talks regularly at MNCs and listed Companies in Singapore.
