Heather Hutchins : I Don't Want to Go to College: Other Paths to Success before purchasing it in order to gage whether or not it would be worth my time, and all praised I Don't Want to Go to College: Other Paths to Success:

The route to career success is mapped out here for those who want to forgo the time and expense of a college education and dive directly into the workplace. As college tuitions soar and the job market tightens, many young adults are questioning the value of a college degree. The pros and cons of this path are discussed, as well as the

reasons why many students fare poorly in college. In addition, topics such as the cost and value of technical and vocational training, a rundown of careers that do not require a diploma, and working while going to school are examined in detail. Whether high school graduates wish to pursue extensive training for a skilled position, or bring their entrepreneurial enthusiasm to a particular talent or passion, this information will help them achieve their professional objectives.
