Martin Saunders : If you can talk to young people, you can talk to anyone before purchasing it in order to gauge whether or not it would be worth my time, and all praised If you can talk to young people, you can talk to anyone:

A simple guide for volunteers, businesses, healthcare practitioners, the police, potential teachers and anyone who

wants to run sessions with groups of young people -whatever the message. Based on a successful training model that has been used by the author with a whole range of professional, business and volunteer groups over several years. As the title suggests -it is relevant to the way you engage any audience! It's easy to make a message complicated. It's much harder to make it simple!
