From Palgrave Macmillan : **Inclusiveness in India: A Strategy for Growth and Equality (IDE-JETRO Series)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised **Inclusiveness in India: A Strategy for Growth and Equality (IDE-JETRO Series)**:

This book examines inclusive growth in a range of social and economic areas in India, including physical infrastructure, vulnerable sections of the population and underdeveloped states. It provides a comprehensive study of disparity and deepens insight into understanding processes of economic and social development.
