William Antholis : Inside Out India and China: Local Politics Go Global (Brookings Focus Books) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Inside Out India and China: Local Politics Go Global (Brookings Focus Books):

One third of humanity is governed by two capitals, New Delhi and Beijing. Increasingly, these two countries are being

led not from the top down, but rather from the Inside Out. In 2014, India overwhelmingly elected Narendra Modi minister, a man who rose to national prominence as chief minister of Gujarat, India's fastest growing state. Likewise, in 2013, Xi Jinping took over as president of China, having served as top official in Zhejiang and Shanghai, two of China's most prosperous provinces. Anticipating these trends and leadership transitions, William Antholis spent five months in 2012 traversing twenty Indian states and Chinese provinces, conducting over three hundred interviews, including with Narendra Modi. Antholis's detailed narratives show what both Modi and Xi Jinping learned firsthand: that local successes—and failures—will determine the future of the world's largest two nations. And his new forward, prepared for this edition, lays out key takeaways from the transitions of 2013 and 2014.
