From Palgrave Macmillan : International Cooperation in the Development of Russia's Far East and Siberia (International Political Economy Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised International Cooperation in the Development of Russia's Far East and Siberia (International

Political Economy Series):

Russia's new 'pivot to Asia' increases the global significance of Russia's Siberia and Far East. The contributors - recognized experts from Russia, China, South Korea, Japan, Norway and Singapore - analyze political, economic, social and geostrategic roadblocks in the Russia/Asia Pacific relations, offering directions for further development.
