**A. Endres : International Financial Integration: Competing Ideas and Policies in the Post-Bretton Woods Era** before purchasing it in order to gage whether or not it would be worth my time, and all praised International Financial Integration: Competing Ideas and Policies in the Post-Bretton Woods Era:

Drawing on prominent contributions by economists to the debate on international monetary reform, this book provides an historical perspective on the plans, schemes and ideas on the international financial system.

About the Author ANTHONY ENDRES is Associate Professor at The University of Auckland Business School, New Zealand.
