From Springer : International Handbook of Career Guidance (Springer International Handbooks of Education) before purchasing it in order to gauge whether or not it would be worth my time, and all praised International Handbook of Career Guidance (Springer International Handbooks of Education):

This handbook offers a comprehensive review on career guidance, with an emphasis on the applied aspects of guidance together with research methods and perspectives. It features contributions from more than 30 leading authorities in the field from Asia, Africa, America, Australasia and Europe and draws upon a wide range of career guidance paradigms and theoretical perspectives. This handbook covers such subjects as educational and vocational guidance in a social context, theoretical foundations, educational and vocational guidance in practice, specific target groups, testing and assessment, and evaluation.
