Simon Majaro : International Marketing (RLE International Business): A Strategic Approach to World Markets (Routledge Library Editions: International Business) before purchasing it in order to gauge whether or not it would be worth my time, and all praised International Marketing (RLE International Business): A Strategic

Approach to World Markets (Routledge Library Editions: International Business):

Re-issuing this successful book in its seventh edition the author starts with an overview of basic marketing concepts and their applicability on an international basis. It then covers each ingredient of the marketing mix and explores them in relation to multinational markets. Each ingredient is studied in the light of the fundamental question: 'How far can it be standardised internationally or in a research-based cluster of countries?' Research, planning and organisation problems receive particular attention. A whole chapter is devoted to 'Creativity and Innovation' on a global scale.
