Wendy Kirkland, Virginia McCullough : Option Trading in Your Spare Time: A Guide to Financial Independence for Women before purchasing it in order to gage whether or not it would be worth my time, and all praised Option Trading in Your Spare Time: A Guide to Financial Independence for Women:

0 of 0 people found the following review helpful. Seems to be the best system I have triedBy mmcleodamcom99After having tried many books and websites, this seems to be the best. I will her system with the understanding that she will give her recommendations for trading every week1 of 1 people found the following review helpful. A Must Read for

Anyone Interested in Option StrategiesBy et_phonehome_2This book is not only for women, it is a great must read for anyone interested in Option Trading. It presents Wendy's strategies and what to look for to make a decision to pull the trigger or not. The only reason I did not give a 5 star rating is that the charts would have been better in color than black and white, and what she describes in her writing could have used some chart annotations as to which candle she is referring to. Maybe it's me, I always like to see the chart on the same page which it is being described instead of flipping pages. Otherwise, a must read for any wannabe option trading. 2 of 2 people found the following review helpful. Five StarsBy VarvEvery woman who are interested in option should read this book. It is written in such a simple language.

This book, geared specifically toward women, describes how to be a successful option trader, even if you hold down a full-time job or are a full-time stay-at-home mom. While option trading is definitely not a risk-free method of investment, for women who have a few hundred extra dollars that they want to use to break into investing, option trading can be a lucrative way to make money. This book explains what everything means and how to be an option trader in easy-to-understand, step-by-step ways that makes it great for the beginner or the more advanced investor. It is primarily focused on trading online and tells you what you need to know to better your chances of being successful.

About the AuthorWendy Kirkland (Asheville, North Carolina) is a successful option trader when she's not running her gift shop in Asheville, North Carolina. She has hosted a number of investing groups for women to help them learn the ropes of option trading and share their stories. Virginia McCullough (Green Bay) is a full-time writer with over 25 years of experience. She currently lives in Green Bay, Wisconsin.
