Dave Osh : Outgrow Middle Management: Accelerate Your Climb to the Top before purchasing it in order to gauge whether or not it would be worth my time, and all praised Outgrow Middle Management: Accelerate Your Climb to the Top:

0 of 0 people found the following review helpful. Useful beyond middle managementBy Gal"Outgrow Middle Management" provides concrete and bite-sized lessons that resonate with me both in and out of the workplace. The book covers various topics such as leadership, decision making and setting goals. A good read regardless of where in

life you are right now.

Outgrow Middle Management: Accelerate Your Climb to the Top helps corporate executives speed up their climb to the corner office, multiply their income, and accomplish their personal aspirations-all while living meaningful, abundant, and love-filled lives. Find out what the most effective, highest paid, and super successful corporate executives do differently that enables them to earn millions of dollars and reach the top of the corporate game faster than others, who are stuck in middle management, struggling financially, and feeling aimless, frustrated, and stressed. Outgrow Middle Management discloses the secrets of the highest achievers of the corporate world and what they have figured out about leadership that makes them so unique. This practical guide teaches a completely new framework for a successful corporate career through real-life experiences of a multinational CEO. Outgrow Middle Management is a simple success blueprint for executives who want to rise to the corner office faster than they could ever have dreamed-without sacrificing their relationships and wellbeing.

About the Author Dave Osh has made it his life's mission to help corporate executives speed up their rise to the corner office and multiply their income-all while living healthy, fulfilling, and love-filled lives. He is the creator of the Corporate Entrepreneur Mastery, Dauntless Innovation programs and the author of Outgrow Middle Management: Accelerate Your Climb to the Top. Dave has more than twenty years of corporate experience including serving as CFO, COO, and CEO of publicly traded multinational companies as well as private corporations. His contributions allowed these corporations to develop products and markets worth billions of dollars. He is the inventor of a patented product commercialized into a successful brand. He is also an entrepreneur who owns multiple brands. Dave is a sought-after speaker on a wide range of topics including: leadership, strategy, marketing, and wellbeing. He has given keynote speeches on international stages-from audiences of one hundred to eight thousand-in conventions such as eTail Asia, Management World Asia, Chief Strategy Officer Summit, Asia Ecommerce Conference, and the Internet Show. Having started his career as a CPA, Dave has a cross-functional expertise in marketing, operations and finance. Dave holds an MBA from Southern Illinois University, USA and a bachelor's degree in economics from Ben Gurion University, Israel.
