Neil Thompson : People Skills before purchasing it in order to gauge whether or not it would be worth my time, and all praised People Skills:

Whether it's managing people, taking care of others or working collaboratively in a team, so much of what people do in the workplace is dependent on their ability to work effectively with others. Now in its fourth edition People Skills provides an up-to-date guide to the knowledge and skills required for working successfully with people. Written with

the accessibility and practical application for which Neil Thompson is renowned, this book is written for people at all levels. Whether you're a social worker, nurse, youth worker, a manager or supervisor, or in any role that involves working with people and their problems, this book will help you to develop your skills and improve your effectiveness. Divided in to three key areas of people skills development: Part I highlights the importance of personal effectiveness; it draws on the key personal skills that are essential to working with people. This includes time management, stress management, being creative and building resilience. Part II explores core interaction skills; it begins by looking at the diversity of the people we interact with and goes on to equip readers with core communication skills, including verbal, nonverbal and written. It also addresses complex tasks, such as managing conflict appropriately and successful interviewing. Part III outlines the skills of intervention; it focuses on looking at what needs to be done and the necessary steps to make it happen. From developing anti-discriminatory practice to decision making and reflective practice, it focuses on problem-solving skills in the workplace. Packed with engaging features, each chapter includes practice focus boxes that help connect theory with real-life practice and exercises that stimulate and challenge the reader.

of first edition: "The book is practical and easy to read, with usable and useful exercises that can be handled on a personal basis or by individuals who are either experienced or inexperienced in managing or supervising staff... It is a book that can be read in its entirety or can be 'dipped into' a chapter at a time, as the need arises." - Peter Moon, Managing Director, Professional Personnel Consultants Ltd. of second edition: "I strongly recommend the book and believe it would be helpful reading for social work students about to embark on their first practicum." - John Dawes, Australian Social Work Journal From the Back Cover Whether it's managing people, taking care of others or working collaboratively in a team, so much of what people do in the workplace is dependent on their ability to work effectively with others. Now in its fourth edition *People Skills* provides an up-to-date guide to the knowledge and skills required for working successfully with people.
