Linda Diamond : Perfect Phrases for Building Strong Teams: Hundreds of Ready-to-Use Phrases for Fostering Collaboration, Encouraging Communication, and Growing a (Perfect Phrases Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Perfect Phrases for Building Strong Teams:

Hundreds of Ready-to-Use Phrases for Fostering Collaboration, Encouraging Communication, and Growing a (Perfect Phrases Series):

6 of 6 people found the following review helpful. Not the best of the "series"By Matthew CoenenAfter being rather impressed with Perfect Phrases for Managers Supervisors, I opted to purchase Perfect Phrases for Building Strong Teams for my work library and, perhaps, use as a reference with the various types of teams I interact with on a daily basis. While the first book was full of great ideas, this one presents few new ones and, in fact, seems to replicate a lot of information found in Managers Supervisors. Additionally, only half of the book actually consists of "phrases". The other half? Tips on teambuilding, the "team mindset", and teambuilding exercises. This volume is more a general "FAQ" on "Teams" as opposed to a helpful resource. Not sure why this series is so large. Rather than have 15-20 books focusing on rather specific tasks/topics written by a variety of different persons, 2-3 more general (and larger, perhaps) would be ideal. For the money paid, merely an "okay" value, though I don't recommend it. 0 of 0 people found the following review helpful. Great SeriesBy AdministratorThis series of books provides quick ideas for every situation. If you are busy and find yourself stuck they are worth the money. 0 of 0 people found the following review helpful. Review on Perfect Phrases BkBy Scarlett4355Great book with allot of detail. Highly recommend to those who have to write up performance assessments and just can't think of what words to use after typing the 3rd review! It's AWESME!
