Keith R. Fevurly : Plan Your Financial Future: A Comprehensive Guidebook to Growing Your Net Worth before purchasing it in order to gage whether or not it would be worth my time, and all praised Plan Your Financial Future: A Comprehensive Guidebook to Growing Your Net Worth:

0 of 0 people found the following review helpful. Good book with a lot of good information, but...By Paul MasonI enjoyed most of the information in the book, but disagree with some info., example about whole life insurance, leverage on real estate and taking out loans at retirement for taking college classes for the fun of it. Though I would

say there is a lot more good information than bad and lays out a good plan which everyone needs!

Implementing a financial plan to manage the future is very important. If you have not assembled such a plan, or even if you have not thought about how best to manage your financial future, the time to do so is now, and the resource you need to walk you through every step of the personal financial planning process is *Plan Your Financial Future*. Regardless of whether you are a recent college graduate or have spent the past several decades in the working world, *Plan Your Financial Future* will give you the smart, commonsense advice you need to get your financial life in order. Written by an expert and long-standing educator in the field of personal financial planning, *Plan Your Financial Future* is a comprehensive, objective, and pertinent guidebook for readers of all income levels who want to grow their net worth on a steady and increasing basis. Covering all the financial bases you can reasonably expect to confront in your lifetime, like insurance, investing, income tax planning, Social Security, Medicare, and more, this vital resource begins with techniques to protect a consumer's personal and business assets. It then transitions into the wealth accumulation process and outlines tax management measures, as well as the distribution of wealth for higher education, retirement, and estate planning purposes. Filled with in-depth insight and invaluable financial planning advice, this unique guide explains how to:

- Insure yourself, your family, and your property against the possibility of significant loss;
- Invest in financial or real assets—or both;
- Practice effective tax planning and management techniques;
- Distribute your estate at death to your intended beneficiaries in a tax-efficient manner;
- And much more.

With its no-nonsense, straightforward style and holistic view of the financial planning process, *Plan Your Financial Future* is the one resource you need to become a more knowledgeable saver and translate those savings into the accumulation of future wealth. What you'll learn:

- Readers of *Plan Your Financial Future* will learn:
- How to take advantage of benefits that are offered to them by their employer
- The importance of minimizing the effects of inflation on their portfolios as much as possible
- Financial strategies for preparing for their children's higher education
- Rock-solid advice for planning for the financial aspects of their retirement years
- Whether or not they would benefit from the hiring of a professional financial planner
- How to create and maintain a personal financial plan that protects them and their families into the future

About the Author Keith R. Fevurly is currently an investment advisor with Integra Financial, Inc., and a Senior Lecturer in Finance at Metropolitan State University of Denver. He also conducts a private practice in both estate planning and investment/financial planning. Previously, he served as the Vice President of Education at the College for Financial Planning in Denver, Co., and has assisted in the financial education of approximately 50,000 financial planners. Mr. Fevurly has authored over 20 referred articles in financial planning and currently is a member of the Editorial Board of the *Journal of Financial Planning*, which is the major academic and professional journal for personal financial planners. He also has written proprietary textbooks in investment planning, income tax planning, and estate planning for Kaplan University.
