**Forbes Staff : Pocketing Cash: A Simple Guide To Making A Few Extra Bucks** before purchasing it in order to gage whether or not it would be worth my time, and all praised Pocketing Cash: A Simple Guide To Making A Few Extra Bucks:

2 of 2 people found the following review helpful. Very Basic but Not BadBy AZMamaI liked the book but did not love it.It was very easy to read and was well formatted. I gave it three stars for two reasons. The first reason is that many of the suggestions were very common sense. The second is that some of the ideas seem to tend towards a specific region. I am going to guess the author is on the East Coast or at least lives in large city. This is a great guide if you absolutely have no idea how to or have never had a side hustle.1 of 1 people found the following review helpful.

Great compilation of life hacks targeted to millennials but useful for anyone. By Andres Rivera Reading this book has spurred me to take additional actions and has easy links to resources for extra income as well as better financial habits. 1 of 1 people found the following review helpful. A great read, although if you already debt free and ... By lucilebaker Motivational for sure!! A great read, although if you already debt free and not too consumerist, lots of advises have already been implemented

Do you remember those summer days of youth, when you'd sell lemonade out in the sun to make a few bucks? Even as a kid, you realized just how great it felt to make money. We want to take you back to those simpler days. Too many Americans today are plagued by feelings of economic insecurity. Even those who are lucky enough to have stable, full-time jobs often don't earn enough to put any away into their savings. When you don't have a financial safety net, the blow can be devastating. In this simple guide, we'll show you creative ways to earn some extra cash on the side. Whether it's selling your things or skills, running errands in your spare time, freelancing or participating in the share economy, this book abounds with tips for making—and saving—a few extra bucks. No matter how much you make now, it never hurts to make more. This Forbes guide will teach you how to pocket away more cash—growing your net worth and your financial security.
