Policy Studies on The New International Economic Order:

Political and Institutional Issues of the New International Economic Order covers various issues concerning New International Economic Order (NIEO), specifically those of political and institutional in nature. The book is comprised of seven chapters, which are divided into two parts. The first part covers topics relating to political issues in the negotiation of the NIEO, while the second part concerns itself with NIEO institutional and administrative issues. The text will of great interest to readers who are concerned with political and institutional aspects of the NIEO.
