David M. Darst : Portfolio Investment Opportunities in China (Wiley RealTime Finance) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Portfolio Investment Opportunities in China (Wiley RealTime Finance):

Essential research on the Chinese economy for investors and asset managers In this handy new e-book, bestselling author David M. Darst provides the latest information on investment opportunities in China's growing economy. Constraints of language and time zones, geographical distance, foreign currency transaction costs, and political and cultural factors can make it difficult to assess, value, and invest in China's economy. Portfolio Investment Opportunities in China gives investors the information they need to make intelligent choices, including coverage of Chinese history, politics, and culture; all with an eye towards helping investors pinpoint those businesses and

industries that offer the best potential returns. Covers key factors western investors need to know about China, with specific focus on China's economy, investment landscape, and financial potential Written by David M. Darst, CFA, the bestselling author of *The Little Book That Saves Your Assets* Covers key factors western investors need to know about China, with specific focus on China's economy, investment landscape, and financial potential
