**From Palgrave Macmillan : Poverty Reduction and Changing Policy Regimes in Botswana (Developmental Pathways to Poverty Reduction)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Poverty Reduction and Changing Policy Regimes in Botswana (Developmental Pathways to Poverty

Reduction):

An examination of how Botswana overcame the legacies of exceptional resource deficiency and colonial neglect, to transform itself from one of the poorest nations of the world to a middle income economy. Contributions review how economic, social and institutional policies interacted to produce successful poverty reduction.
