Oliver L. Velez : Power Trading: Winning Guerrilla, Micro, and Core Tactics (Wiley Trading) before purchasing it in order to gage whether or not it would be worth my time, and all praised Power Trading: Winning Guerrilla, Micro, and Core Tactics (Wiley Trading):

1 of 1 people found the following review helpful. Power Trading Book + DVDBy Donald A DavisThe book arrived promptly in perfect condition. I like the style of Oliver Velez. He explains concise trading setups with clear examples. The summary sections can be used to create or add to your trading plan. The DVD was somewhat dissapointing in that

the camera shots of the screen he was using during a live presentation was washed out, however The initial closeup shots of the screen were clear. 6 of 6 people found the following review helpful. excellent By Pcola Joe Cuts to the chase, goes right to winning methods. Explains in detail how to buy, sell, and exit. Not much theory, every page has useful information, plus it comes with a dvd. I started to apply his methods within a few days. Even if you just use it for buy and sell timing, it will save you money. The core investing section is something every buy and hold person needs. 0 of 0 people found the following review helpful. Vera colear and objective By Jose V. Clear, direct and simple. Could be usefull for novices of more advanced traders. Setups are objective and well explained. Worth the time and money.

How do you make quick intraday profits? How can you ride long-term trends? How can you make consistent money in the midst of a sideways, volatile market? Oliver Velez is giving you all the answers by granting you access to his own revolutionary trading tactics, ones which he has spent years perfecting. Power Trading brings together three remarkable trading approaches, which are the cornerstones of the educational sessions presented by Velez and his trading team. This DVD and guidebook combination was designed to help you identify the plays that will work best with your trading style, personality, and current portfolio. Watch the DVD and follow along as the plays unfold on the screen and page. This first-of-its-kind, comprehensive collection covers three profit-boosting systems: Micro Trading Tactics: Quick fire tactics that work in bull or bear markets, How to profit from the "market maker's lunch", What period of the market day provides the best risk/reward-and what times to avoid. Core Trading Tactics: How to precisely time entry exit points, How core trading differs from investing-and the tools needed to be a successful core trader, The perfect strategy for updating long-term portions of your portfolio. Guerrilla Trading Tactics: 13 must-know, dynamic plays, some with a success rate of 80% or more, 2 key strategies: trading to build wealth vs. trading for income, Special tactics for playing excess volatility.
