**John Kuada : Private Enterprise-Led Economic Development in Sub-Saharan Africa: The Human Side of Growth** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Private Enterprise-Led Economic Development in Sub-Saharan Africa: The Human Side of Growth:

Private Enterprise-Led Development in Sub-Saharan Africa provides a novel theoretical and conceptual model to guide research into Africa's economic development. It endorses the view that private enterprise-led growth will help reduce poverty since it strengthens individuals' capacity to care for themselves and their families.

About the Author John Kuada is Professor of International Management at the Department of Business and Management, Aalborg University, Denmark. He is author and co-author of twelve books and over 100 peer-reviewed articles and book chapters. In addition to teaching and research, he has consulted for businesses and international organizations in Europe and Africa. He is the editor of African Journal of Economic and Management Studies.
