S. Brown-Shafii : Promoting Good Governance, Development and Accountability: Implementation and the WTO (International Political Economy Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Promoting Good Governance, Development and Accountability: Implementation and

the WTO (International Political Economy Series):

In addressing the politics of the international regulation of public procurement, this book fills a major gap in the literature. Brown-Shafii does this by investigating whether a WTO Agreement can be used to promote good governance, development and accountability.
