Steven M. Bragg : Providing Guidance for an Investor Relations Department (Wiley Global Finance Executive Select) before purchasing it in order to gage whether or not it would be worth my time, and all praised Providing Guidance for an Investor Relations Department (Wiley Global Finance Executive Select):

Praise for *Running an Effective Investor Relations Department: A Comprehensive Guide* "Mr. Bragg has provided a comprehensive guide on how to be effective in today's ever increasingly difficult job of investor relations. I highly recommend this for any company dealing with outside investors."mdash;Wray Rives, CPA, President, NeedaCFO.com "At long last, a comprehensive introduction to the important topic of investor relations. CFOs, treasurers, and those who aspire to those positions would be well served to read this comprehensive guide."mdash;Richard Booth, Vice President of Finance, Nuance Communication, Inc. "This book is a must-read for anyone involved with investor relations, from the executive team to front-line employees. In this age of MA and venture capital funding, investor relations will become increasingly important to the overall success of organizations of every size. *Running an Effective Investor Relations Department* is a vital tool."mdash;Chris D'Angelo, Controller, Executive Health Resources "Running an Effective Investor Relations Department is an informative, concise, clearly written guide for either the employee new to the investor relations team or the experienced investor relations officer. The book gave me an in-depth overview on the 'how to' part of dealing with investors. This subject is much overlooked on the bookshelves. This book will definitely get shelf space in my office and will come in handy as I deal with the buy side."mdash;Douglas Shaeffer, Controller, Aberdeen Townhomes "Running an Effective Investor Relations Department provides true guidelines for strategically communicating a company's goals to the investment community. It makes you think and work on how to methodically manage IR metrics for both good times and crisis situations. This is a must-read for the IR profession."mdash;Shan Staka, Accounting Manager, PGP International
